

LED - Illumination

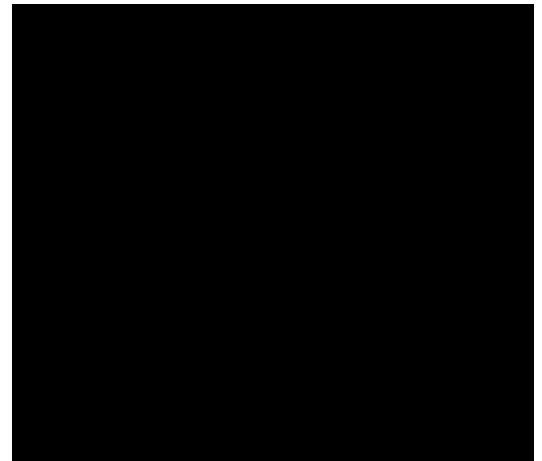

Photonic LED Spot & LED Ringlight

- 15 LED Spot Illuminators
- LED 40 & 80 Spot Ring Illuminators
- Segmented LED Ring Illuminators
- LED Base Illuminators
- Variable Intensity Control

Segmented LED Ring Illuminator

- LED 66mm Diameter / 80 LED
- Segmented Selection
- Rotation of Light Path
- Working Distance 35 – 100mm
- Polariser Filter Set Option

- LED Ringlight
- 66mm Internal Diameter
- 40 LED
- Variable Intensity Control

Summary

- **Purchase Photonic illumination solutions with confidence from GDC.**
- **GDC import & distribute Photonic products.**
- **GDC provide local support & evaluation if required**
- **Contact GDC for latest price information**
